

footscan scan mat - sheet 1 of 2

A4 - heel end

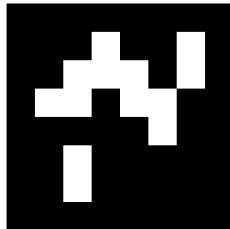

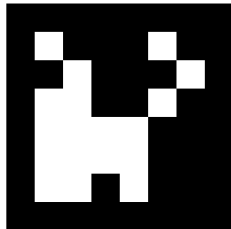

CHECK: this bar must measure exactly 100 mm

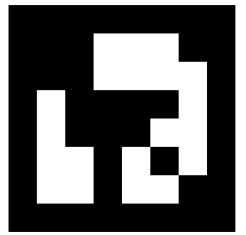

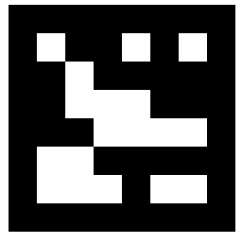

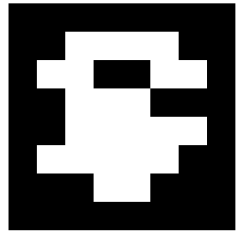

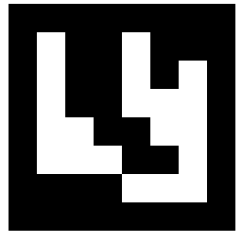

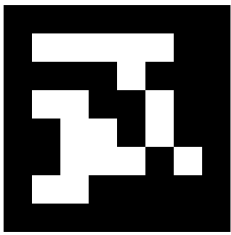

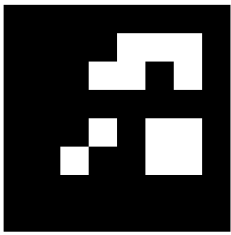

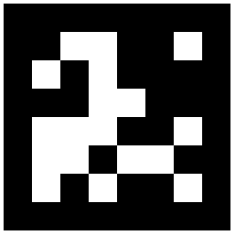

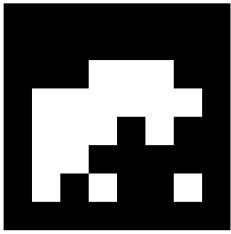

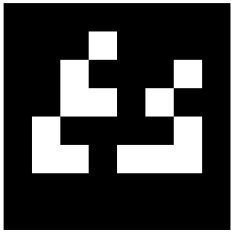

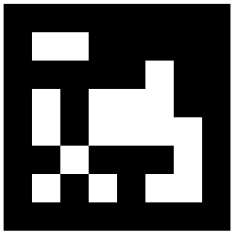

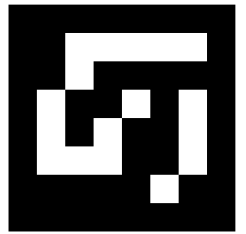

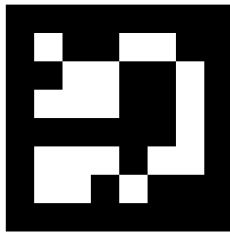

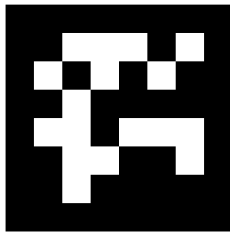

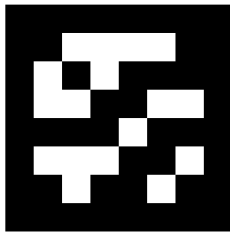

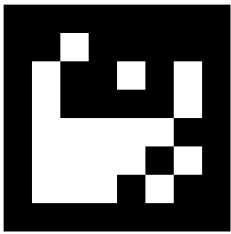

If it doesn't, print again at 100% / Actual size
(turn OFF 'Fit to page' or 'Scale to fit').

Heel goes here, toes toward sheet 2

Keep the mat flat and clean. Don't cover the black squares.

Keep the mat flat and clean. Don't cover the black squares.

Toes point this way

A4 - toe end

footscan scan mat - sheet 2 of 2

Tape this edge to sheet 1
